

# Sydney Intervarsity Choral Festival 2025

Bullsheets 2 – August 2024

## SIV REGISTRATIONS OPEN

We're delighted to announce that registrations for SIV 2025 are now open! We can't wait to see you all at Sydney IV in January, and if you're ready to hop to it and register without all that stuff where I tell you what it is, here you go: [siv.org.au/register](http://siv.org.au/register)

For those of you who maybe haven't been to an IV before, or want to know more about what we're doing this time around, read on:

IV is an amazing choir festival, where singers from all around the country descend on one city (that's Sydney, hi!) to rehearse a concert from scratch. Most IVers are current or past members of the AICSA choirs, but anybody who would like to participate is welcome - no matter your choir experience or confidence level, we'll all be learning together.

## CAMP DATES – 17-21 JANUARY 2025

After a first night of billeting, we will be heading off to AGH Camps in the Nepean Valley, to sing and socialise at close quarters for five days. There'll be music, there'll be hanging out, there'll be revue and competitions and lots of exciting social events. Then we'll be returning to Sydney for more rehearsals, as well as our Academic Dinner (a chance to get dressed up, sing and celebrate).

## CONCERT DATE - 25 JANUARY 2025

After a hectic, exhilarating week of learning music together, we'll put on a concert for our adoring audience, and relish in a job well done. A few final events to say goodbye to all your friends old and new, and it's all over - until next year...

## REPERTOIRE

We know you're all keen to know what we will be performing, and we can't wait to tell you, but we just need to finalise a few things first. Update coming very soon! Rest assured that it will be an interesting programme of achievable-but-challenging music, featuring some well-known composers but also highlighting some under-recognised talent.
